SINCE 1963

**EXCEPTIONAL PEOPLE. HARD WORK.  
QUALITY PRODUCT.**

In 1963 LEE Building Products Inc. started out as a company between friends, Ray Lee and Tommy Nash. The original name of their company, Lee Nash Masonry Products was formed in Frankfort, KY. In the early 70's Ray Lee bought Nash's end of the business which then became LEE Brick & Block in 1975. From that point on with the help of his 5 sons, LEE Building Products Inc. has expanded to what it is today with 26 locations and +400 employees across Indiana, Kentucky and Tennessee.

We at LEE Building Products manufacture, sell and distribute an array of products for industrial, commercial, and residential use. We distribute a wide variety of architectural concrete block, pavers, retaining walls, outdoor firepits, natural and manufactured stone. We also sell and distribute many brands of clay brick, natural stone, concrete masonry units, masonry accessories, hardscape accessories and landscape lighting

Our brand promise is simple: we provide our customer superior service and deliver the best quality product available in the marketplace. We strive to meet the needs of our valued customers, vendors and employees by building trusting relation-

**SUSTAINABILITY**

At LEE Building Products® we are proud to incorporate sustainable construction innovations and manufacturing practices into the products we produce. We are committed to a cleaner, healthier planet and are doing our part by taking an environmentally responsible approach, which will help you construct greener projects for a more sustainable future.

ships through loyalty, dedication and hard work. By investing in all of our relationships, production facilities and equipment, we have and will continue to provide the best possible service and to meet the industry standards every day.

**A HOUCHENS INDUSTRIES COMPANY**

In 2006, LEE Building Products became a 100% employee-owned company and in 2021 joined Houchens Industries, Inc. Houchens Industries was originally founded in Glasgow, Kentucky by Ervin G. Houchens in 1917 as Houchens Foods. A century later, Houchens Industries operates more than 400 retail grocery, convenience, and neighborhood market stores across 16 states. Complemented by a strong foundation of diverse companies and +18,000 employees corporate-wide, Houchens Industries is listed by Forbes as one of the largest 100% employee-owned companies in the world.

Houchens Industries is a 104-year-old company that has grown to be one of the nation's largest 100% employee-owned companies in the United States with over 19,000 ESOP participants. In addition, it is an extremely diversified company with businesses in more than eleven industries.

## Now Showcasing

the **NEW BELLE MEADE™ COLLECTION**. This collection is a premium, high level and high quality family of paver systems with the newest variety of color blends. Within the collection is the Arlington Reserve Paver System which entails the Arlington Reserve, Arlington Reserve Slate, Arlington Reserve XL and Arlington Reserve XL Slate.

In this collection you will find multiple aesthetic options such as smooth with chamfered edges or a slate texture with crisper edges. There is also a variety of shapes and sizes with the Arlington Reserve system having our largest dimension paver. This system can be installed together in a variety of laying patterns as a 3-pc small, 3-pc XL or together as a 6-pc system that will create a one of a kind look and feel. Perfect for all hardscape projects, walkways, pool decks, patios, etc.

Call or visit your local LEE Building Products location to learn more about the Belle Meade™ Collection. We would be more than happy to help you plan your next dream space!

# ARLINGTON RESERVE SLATE

BELLE MEADE™ COLLECTION, ARLINGTON RESERVE SLATE  
CHOCOLATE/TAN BLEND

Included in the **NEW BELLE MEADE™ COLLECTION**, this 3-pc, 60mm, Arlington Reserve Slate paver system features a slate textured finish, giving it a rustic, earthy appearance. The Arlington Reserve Slate product is our smaller dimension textured paver we offer and it comes in a variety of color blends to fit your needs. This 3-pc system installs together in a variety of laying patterns or it can be combined with the Slate XL 3-pc system to create a one of a kind look and feel.

## Now Showcasing

the **NEWLY UPDATED SOUTHERN TRADITIONS™ COLLECTION.**

This collection is a core level, tried and true, industry popular and accepted family of paver systems.

Within the collection is the Cobble and Holland paver families. In these you will find updated color blending options and either tumbled or untumbled styles. The Cobble family has two independent sizes of 6"x6" and 6"x9" and the Holland family is available in 4"x8". Available to install in a variety of laying patterns or simply used as a border or accent, the Cobble and Holland paver families have proven to be the go to classic styles in the industry.

Whether you choose a rustic, tumbled or more refined, clean look of the untumbled, this collection of paver families are perfect for all hardscape projects, walkways, pool decks, patios, etc.

Call or visit your local LEE Building Products location to learn more about our newly improved Southern Traditions™ product line. We would be more than happy to help you plan your next project!

# COBBLE UNTUMBLLED

Included in the **NEWLY UPDATED SOUTHERN TRADITIONS™ COLLECTION**, this 60mm, Cobble Untumbled paver now features newly blended color options and updated textures. This product has a smooth, untumbled appearance and features two individual sizes of 6"x6" and 6"x9". The Cobble Untumbled paver is perfect for all hardscape projects, driveways, walkways, pool decks, patios, etc. and can be installed in a variety of laying patterns to create a one of a kind look and feel.
