

Now showcasing the **NEW! AQUAGRANDE™ PERMEABLE PAVERS** from the Belle Meade Collection. This new line of permeable pavers feature a 3-pc, 80mm system that is packaged on one pallet. Available in a slate or smooth finish and three color blends. Units can also be special ordered in a 60MM thickness and custom color blends.

The 3-pc system installs together in a variety of laying patterns and is a great permeable option for residential or commercial projects. Meets or exceeds applicable requirements of ASTM C936.
